---- Promote **cultural activities** in the open air and indoors, in the town center and districts that have been lavished in the municipality in recent years.

---- Maximize **aid for school supplies** to the most disadvantaged families.

OUR MOTTO... PEOPLE, PEOPLE, MORE PEOPLE AND OUR PEOPLE.

To face aging and encourage repopulation is our commitment, to create better conditions for investment and job creation, to ensure that wealth is enjoyed by all, that our municipality is cohesive and socially advanced, that we enjoy a healthy and beautiful place to live and that our local administration manages well, with transparency and citizen participation. That the municipality of Abanilla, all its neighbours, have guaranteed greater well-being and that future generations feel proud of a great Abanilla.

FOR ALL OF THIS, GIVE US YOUR SUPPORT ON MAY 28, 2023

Municipalism, IUMA and María Dolores, at your service

UNITED INDEPENDIENTS
for the
MUNICIPALITY OF ABANILLA

ELECTION PROGRAM
MAY 2023

The IUMA government objectives are:

FOR OUR FAMILIES AND ELDERLY

---- We will sue to the Regional Department of Health for the need for the **Pediatric** service in the municipality

---- **Schooling for all girls and boys from 0 a 3 years old.** Construction of the **new nursery school** with enough places to cover the needs.

---- The **High Performance Center for the Eastern Region** must be launched as soon as possible, where the most demanded specialized medical care must be provided, as well as laboratory and radiological diagnostic test and Family Planning and Rehabilitation services.

---- The upcoming opening of the new Health Centre, which will grown in size, will facilitate an infrastructure that will allow an agreement between the Ministries of Health and Social Policy, an agreement that we will promote from minute one of the mandate, **to improve care for our elderly and disabled, facilitating family reconciliation.**

---- Direct aid to families for the care of their dependents. Training to qualify caregivers. **Specific fund in the item of the Department of Social Affairs** for these objectives.

---- **Door canopy** at the exterior Access to the **Barinas Clinic.**

SO THAT EMPLOYMENT GROWS AND FOR A MORE PROSPEROUS ABANILLA

---- We will continue with more effective investments for the maintenance and promotion of the **Industrial Estate.**

---- Fiscal measures for companies that hire residents, which will determine the population. Facilitate the installation of companies also with the **exemption of the IBI** during the first years to the newly created ones.

---- **Maximum bonus in the IBI** to buyers of housing in the municipality, during the first three years.

---- **Continue** with the search for projects in the Working Group with the **Association of Merchants** of Abanilla for a greater impulse and development of the local economy. Promotion and subsidy of new activities for this purpose.

---- **Continue ensuring** equal opportunities in labour recruitment. **Rotating and proactive job bank.**

---- **Execution of the agreement with the Irrigation Community of Huerta de Abajo and Sahués** for the opening of the Flour Mill located in the upper course of the Chicamo as a tourist and cultural infrastructure.

---- The immediate repair of the **RM A9** road (La Hechicera) under regional jurisdiction is urgent. The residents of El Salado, Ricabacica, El Partidor, El Tollé, La Umbría and Macisvenda should know that this is a priority in our objectives for this four-year period.

---- Systematic and protocol execution program for the improvement and consolidation of the municipal road network. **Asphalting/resurfacing of the main road.**

---- Ensure **digital coverage in the northern area of the municipality**, in El Cantón, Cañada, Macisvenda and Barinas.

---- **Adequate lighting** in all residential areas of the districts.

---- Guaranteed **intra-municipal mobility** for neighbours without resources to be able to use the bus service with neighbouring municipalities and with Murcia.

FOR A FAIRER AND MORE SOCIAL MUNICIPALITY

---- **Creation of a database** of all the residents who wish to facilitate the communication of local public events of interest, thus improving the interaction between them, promoting social and sports activities within the municipality.

---- Interlocution office for new residents (French and English) to help them manage their procedures.

---- Once the debt has been amortized, in compliance with the Financial Reorganization and Stability Plan of local entities, and given the high cost of living with declining but slow inflation, a fiscal reconsideration is urgently needed with a **reduction in taxation** in all the concepts to increase the availability and effective income of our neighbours. Maximize tax cuts for the most vulnerable.

---- **Equality in municipal contracting.** No matter what origin you have, live in this or that district, whatever you think.

---- **Collaboration and subsidy of activities with all the associations** of the municipality, Brotherhood, Federation, ABACOM, clubs and sports associations, APAMA, ACUNA.

---Continue investing and promoting Local Commerce.

---Support to continue with the celebration of the **international rock festival** in Macisvenda.

---Electric vehicle to move our elders from the districts to Abanilla to carry out their efforts.

----Commissioning of the charger for **electric vehicles** already installed.

FOR A MUNICIPALITY RESPECTFUL WITH THE ENVIRONMENT AND MORE BEAUTIFUL

---- We will ensure that public buildings: schools, health centers, sports centers, etc., achieve their **energy sustainability** and help their environment. Financing by the **Next Generation European Recovery Plan.**

---- **Cleanup of illegal dumpsites** and rehabilitation of their surroundings.

---- For the **management of pruning remains** without phytosanitary risk, we will establish collection points for grinding and use.

---- **Street cleaning service**, for the town center and all districts.

---- **Restoration of natural areas affected by mining activities.** Contest of ideas and projects to value them as resources and promote ecotourism.

---- Maintenance and beautification of all municipal **public laundries.** And its promotion as a tourist resource.

---- **Continue** with the rehabilitation and improvement of the surroundings and accesses of **Lugar Alto de Abanilla.**

---Project Study for the feasibility of putting a wooden kiosk.

---- After its arrangement, beautification of the surroundings and accesses of the **Sacred Heart of Barinas.**

---- Actions in the surroundings of the **Fuente del Algarrobo** as an emblematic place to enhance its tourist interest.

---- Conversations with interested owners to reach an agreement with them on the layout of a **hiking route to Zurca.** Enhancement of other cycling routes in El Llano, Los Barrancos and the mountains, El Cantón and Quibas.

---- **Direct aid for the embellishment of facades.** Continue increasing the warmth and image of our streets and neighbourhoods.

----Regulation of traffic in the **Salitre area** in one direction.

---- TOURIST Dissemination through Fairs (FITUR) of our rural, religious, spiritual (Mahasandhi) gastronomic, cultural and sports tourism.
